

MMBA

churches networking to impact our world

the update

MMBA IN EAST ASIA

MMBA made its 5th journey into JZ located in East Asia on May 10, 2010. God has moved in ways that cannot be explained by mortal man. On our first journey in 2006 we had one IMB

family living in a city of one million plus. At that time the state sponsored church seemed anemic and non-productive. The church was in a survival mode while evangelism and discipleship were not even considered. At that time there was a complete absence of the house-church (HC) movement. It was indeed a dark city in need of the Light.

Over time the IMB field personnel changed from one family to two; three families and then to four. As the field personnel labored and we prayed the darkness began to recede. The state church changed pastors and began a discipleship program. The church also started supplying Bibles at a nominal cost. Folks started gathering into homes (HC) to study the Bible. They invited
