

Almost six years have passed since Hurricane Katrina made landfall on the Gulf Coast of the United States, and families living there are still feeling the effects and rebuilding their lives. With this in mind, 48 people responded to God's call to serve on a MMBA mission team to Gulfport, Mississippi, June 26-July 1, where construction crews helped with rebuilding efforts and a Backyard Bible Club team provided fun activities with Biblical lessons on a daily basis culminating with a block party. In all, the team ministered to approximately 200 children. In addition, backpacks filled with school supplies were provided for 75 children. God blessed and lives were changed, especially for seventeen people who accepted Jesus Christ as their personal Savior and inherited the Kingdom of God.

The date for next year is June 24-30. Please pray whether God is calling you on mission to Gulfport in 2012!
