churches networking to impact our world

## the update

### MMBA Summer Missions

#### Mexico July 24 - August 1, 2010

Our annual Mexico Summer Mission Trip will focus on VBS in partnership with IMB Missionaries and Hananeel Baptist Church of Puebla. This mission trip will be led by Pastor John Hevey of Friendship Baptist Church. John has led this annual mission trip to Puebla since 2001. Puebla is located two hours from Mexico City and is one of the ten largest cities in North America. We have found it safe in the past. However, mission trips always have some element of risk and with the rising drug violence in Mexico, the risk is higher. For this reason we will not accept anyone who has not graduated from high school or is under 18 years old. Cost \$1200.00. You may contact John Hevey @ 410-442-5506 or [jhevey@wecare.org](mailto:jhevey@wecare.org) for more specific information.

#### Mississippi June 27-July 3, 2010

After 5 years MMBA is still committed to the Gulfcoast region and the rebuilding going on there. Construction teams are still going out in the communities where Katrina hit the hardest assisting churches and communities to get back on their feet. Areas we continue to minister: VBS and construction.

#### Dominican Republic July 5-13, 2010

Missions to the Dominican Republic consists of construction, medical, VBS, and street evangelism teams. Construction encompasses renovation and maintenance of the church property. The medical team goes into the community to provide free medical care and supplies. VBS ministers daily to hundreds of children in the area providing the love of Jesus.
